**Dispute Resolution Process** 

All LEAs are required to maintain processes to promptly address disputes related to a child's eligibility under the McKinney-Vento Act, including, but not limited to, disputes regarding a student's status as a homeless child or unaccompanied youth, school selection, and transportation. At the initiation of any dispute under this process, the LEA must immediately enroll the child in the school for which enrollment is sought, pending resolution of the dispute, including all available appeals. <sup>1</sup>

If a dispute arises about whether a student should be considered homeless under Education Law 3209, about a homeless student's choice of school, or about a homeless student's access to transportation, the LEA must issue a **written decision** to the parent, guardian, or youth that includes:

- a statement regarding the right to appeal the LEA's decision to the Commissioner with the State Education Department;
- the name, post office address, and telephone number of the McKinney-Vento Liaison; and
- the petition form used to file an appeal with the Commissioner.

<sup>&</sup>lt;sup>1</sup> Please note: As of October 1, 2016, parents, guardians and youths are no longer required tregarding ted tregaa108 0 T 3 (di)-2trre
