and/or State-provided growth scores¹.

For Educator Evaluation plans under Education Law §3012-d approved prior to January 1, 2020 with an accompanying approved Supplemental Removal form, scores in each subcomponent and an overall rating should be reported for all educators subject to evaluation under Education Law §3012-d. Original SLOs must be the basis of the required student performance subcomponent for all educators whose evaluation measures per

evaluation plan DO NOT incorporate the results of the grades 3-8 ELA/Math State assessments and/or State-provided growth scores. Alternate SLOs must be the basis of the required student evaluation plan incorporate the results of the grades 3-8 ELA/Math State assessments and/or State-provided growth scores.

For Educator Evaluation plans under Education Law §3012-d, as amended in 2019, scores in each subcomponent and an overall rating based on the contents of the approved evaluation plan should be reported for all educators subject to evaluation under Education Law §3012-d.

For Educator Evaluation variances, scores in each subcomponent and an overall rating based on the contents of the approved evaluation variance must be reported for all educators subject to evaluation under Education Law §3012-d. The measures included in the evaluation plan for any subcomponent not included in the approved variance should be used as the basis of the evaluation.

The table below summarizes the data elements that are required to be submitted for Educator Evaluation under Education Law §3012-d via the Staff Evaluation Rating Template for the 2023-24 school year, exported from your local data systems for each teacher and principal.
