Materials and Resources	Computers, career cluster graphic organizer, media and/or guidance center career reference books and materials, panel of guest speakers, newspaper and/or trade journal Help Wanted Ads Introduction to Career Clusters video (students demonstrate each cluster) https://www.youtube.com/watch?v=v6hFd9nc0hw Assess Yourself - NYS CareerZone Interest Inventory https://www.careerzone.ny.gov/views/careerzone/guesttool/ga.jsf CareerOneStop Career Videos by Cluster https://www.careeronestop.org/Videos/CareerVideos/career-videos.aspx		
	What will the teacher do?	What will the students do?	How much time for each activity?
Pre-assessment	Teacher asks students to bring in 3 pictures of people working in careers they think they might be interested in. Teacher asks students to be prepared to tell what career is represented in each picture and why they think they might be interested in pursuing it .	For homework, students find 3 pictures of people working in careers they think they might be interested in. Bring them to class on the due date. Students should be prepared to tell what career is represented in each picture and why they think they might be interested in pursuing it.	20min
Do-now/Hook	Day 1- Teacher arranges students in pairs. Partners complete a pair-share activity, showing each other the pictures they brought in and explaining why they think these are possible careers for them.	Day 1- Students work in pairs. Partners complete a pair-share activity, showing each other the pictures they brought in and explaining why they think these are possible careers for them.	40 min 5min

by cluster area (the goal is to have
a student group for each of the
trade and technical clusters)

	<p>Teacher announces that the class will meet with guest speakers representing careers in the trade and technical clusters. Each group will be responsible for asking the guests one of the class' questions .</p> <p>Day 5- Teacher invites a panel of community guest speakers representing careers in the trade and technical clusters. Note: If a teacher has several classes of this prep each day, a different guest could visit each class. Video each guest to share with the other classes. This creates a "panel" without placing undue burden on community workers.</p> <p>Teacher, or student volunteers, act as moderators to ask facilitate the groups' asking their questions.</p> <p>Day 6 and 7- Teacher shows students examples of Help Wanted Ads for trade and technical cluster positions, and provides brief direct instruction on the primary components of a Help Wanted Ad.</p> <p>Teacher provides students with a variety of materials that they can use to make Help Wanted Ad posters.</p>	<p>Student groups determine which question they will be responsible for when they meet the guest speakers. Students label the class list with their names to show their choice.</p> <p>Day 5- Students learn about careers in the trade and technical clusters through meeting with community representatives of those careers.</p> <p>Student groups take turns asking the panel the questions they identified in yesterday's class. Students record the answer to their group's question.</p> <p>Day 6 and 7- Student groups use their notes to create "Help Wanted Ad" posters for the trade and technical career represented by the cluster they researched.</p>	<p>5min</p> <p>40min</p> <p>40min x 2 days 20 min</p> <p>40 min</p>
