Confirm Eligibility

See NPSE Guidance for eligibility information for Items/Service Expenditures.

Determine Invoices Categories

To allow for a smooth and efficient application process, gather your documents in advance and determine which spending categories are applicable. There are six categories for the types of health and safety expenditures for the **Items/Service Expenditures (other than security guards)**. Please note that one invoice can cover more than one category. But generally each invoice will have its own category.

Security Items (No GUARDS)	Environmental/ Health	Fire Prevention	COVID 19	Child Abuse Prevention Training	Health & Safety Repairs	
Category Eligability Dates						
2013 - 2024	2016 - 2024	2016 - 2024	2020 - 2022	2019 - 2024	2022 - 2024	

Master Document

Each Section of the the **Non-Portal Application** references required documentation. If the applicant has not yet done so, it is now time to assemble all of the required documentation into one, collective **Master Document**.

- 1. The **Master Document** will be one of two mandatory attached documents to the **Non-Portal Application** e-mail submission (additional information on this process can be found in the **Submission & Reimbursement** section of this document).
- 2. The **Master Document** must include all of the required documentation.
- 3. It is imperative that time and care be put into the **Master Document** assembly.
- 4. Each page number of the **Master Document** must align and be recorded within the green areas of the workbook.

Inaccurate/misaligned Master Document page numbers are considered an incomplete application <u>and</u> will result in the application being returned to the applicant. See the next section for more details.

- 3. Input the corresponding page numbers for your **Master Document**. As the applicant records page numbers into the green application section(s), the document will automatically update the **Document Tracker Section**.
- 4. As the **Master Document** may grow or change throughout the application process, it is best to record page numbers at the very **<u>end</u>** of the application process.
- 5. Once Section 3 is complete, the applicant may select another section.
