A table detailing the first and last administration of each Regents Examination in mathematics, science, and English language arts is provided below. Materials for each new exam, including an educator guide, will be made available during the school year prior to the first administration of that exam. A limited number of sample questions, targeted to highlight key shifts in the learning standards, will also be released prior to the first exam administrations.

Questions about the learning standards should be directed to the Office of Standards and Instruction at emscurric@nysed.gov. Questions about the Regents Examinations may be sent to the Office of State Assessment at emscassessinfo@nysed.gov.
